Re: Partnership for Small Area Estimation 2023

This letter is to confirm the non-federal match contribution of *amount here* as detailed in the proposal budget narrative for "*Project title here*". This represents a 10% project cost contribution. This will be met by *for example, salary and benefit cost/unrecovered indirect cost/other* of *organization here* to conduct project operations.

I certify that the funds that will be used to pay for the above *salaries/unrecovered indirect cos/other* do not include any federal funds and are not being claimed by our organization as a match or contribution to any federal program or agreement. I also certify that the facts of these assurances are of my own personal knowledge and that I am duly authorized by my organization to make this certification.

Signed,

Jane Doe
